

TEAM CHEMISTRY

**THE TEAM THAT KEEPS THE BOND
IS THE TEAM
THAT CAN WIN THE CHAMPIONSHIP**

Much is said about team chemistry in sports today. This diagram of the basketball "team" (including players, coaches, support staff) demonstrates the positive and negative forces that will bombard and influence your team. Winners concentrate and have priorities; they conserve energy and maintain a positive bond . . . AND THE TEAM THAT KEEPS THE BOND CAN WIN THE CHAMPIONSHIP.
